Sir:-

Your application for preinvestigation of your status as an American born Chinese has been unfavorably acted upon by the Inspector in Charge of Portal N.Dak. No. 756.

July 3rd, 1909.

Chinese Inspector in Charge,
Portal, North Dakota.

Sir:-

I hand you herewith the application of JUNG ONE for a pre-investigation of his status as a native according to Rule 39.

I have examined applicant, his alleged father, Jung Man San and a witness, Chin Chong Kee, and inclose a transcript of the notes taken. As you will notice the story of the father on his first examination is materially different from that given on a re-examination as to the dates of his marriage, birth of applicant, and the death of applicant's mother. While a witness may honestly wish to correct his statement after thinking his testimony over, yet I believe in a case like this where there is some doubt as to the genuineness of the claim, this circumstance should be taken into consideration.

After examining applicant and his father, Chinese Inspector H. E. Tippett made an investigation in the neighborhood of the laundry at 161 W. Erie St. where the father claims he lived with this applicant for four years from 1897 to 1901. I inclose Inspector Tippett's report from which you will see that no Chinese laundry has been at that number since 1896, and that although there was a laundry prior to that time, there never was a small Chinese boy about the place. It does not seem probable to me that a Chinese boy

7/3/09.

of the age claimed (nine years old) could reside for any length of time in the residence section of the city and not be noticed by the neighbors.

Although this boy claims to have lived here all his life, he does not speak as good English as the father, and it was necessary to examine the father through an interpreter.

In view of my investigation, I am of the opinion that applicant is not entitled to the privilege which he requests.

Respectfully,

(Signed) L. T. Plummer.

No. 756.

July 3rd, 1909.

Mr. L. T. Plummer,
Chinese Inspector in Charge,
Chicago, Illinois.

Sir:-

I have investigated the papers of JUNG ONE, alleged native, who has asked that his status be determined prior to leaving this country. It is noted in his affidavit that he is twenty years of age, that he was born at San Francisco, Cal., that when he was nine years of age his father brought him to Chicago, and that he lived at 161 W. Erie St. for four years.

On this claim that he has been living at the above mentioned number, I beg to say that I have taken the statement of S. E. Smeby who has carried on a business at 163 W. Erie St. which is next door to 161, since 1878; and he stated positively that during that time there was no Chinese boy at number 161 West Erie St., but that there was a laundry there conducted by two Chinese men. He also states that this property was owned by Mr. Emerson who is dead; that about 1892, the latter sold the said property to the Chicago Investment Company; and that at that time the Chinamen vacated the premises and that there has been no Chinamen there since.

I also took a brief statement from Mr. Clyde R. Bates, who is the agent of the property in question and has been since the first part of 1896. He states that during all the time that he has been the agent for the building at that number that there have been no

7/3/09.

Chinamen occupying the premises.

A transcript of the testimony of these two men is hereto attached. I am satisfied from this investigation that the claim of the applicant that he resided at 161 W. Erie St., this city, from the time he was nine years of age until four years thereafter, is without foundation, and has no truth in it. I did not go further into the case for the reason that this is enough to discredit his affidavit and controvert his claim.

Respectfully,

H. E. TIPPETT
Chinese Inspector.

Jung Nan Sang, of the City of Chicago in said division and district, being first duly sworn according to law, deposes and says:

I am a native and subject of China and first landed in the United States at the port of San Francisco. For the first five years of my residence in the United States, I was employed by the firm of Chinese Merchants, "Hong Hai", as a clerk; and at the end of that time I purchased a share and interest therein, and became a member of that firm. Our place of business was the south-east corner of Dupont & Commercial streets.

In the 12th K.S., in San Francisco aforesaid, I married one Wong Shee. We lived in apartments over the said store; and in the 14th K.S. a son, named Jung One was born unto us. I have examined the foregoing affidavit of said Jung One, and also the photograph affixed thereto: The statements made in said affidavit are true, and the said photograph is a good likeness of my said son, the said Jung One.

My said wife, Wong Shee, died about a month after the birth of our said son, Jung One. Then I removed to Seattle, Washington, but left the child with his grand-parents, the parents of my said wife, in San Francisco, until he was about Nine years old; ^{and I visited him every year.} The parents of my said wife were one Wong You Sing and his wife.

When my said son, Jung One, was Nine years of age, I removed from Seattle to Chicago, and brought him with me from San Francisco; and he has lived with me continuously ever since.

Since we came to Chicago, we lived, first, at No.161 West Erie street for four years; than at No.5919 Wentworth avenue about four years; and since then at our present place of residence and business, No.501 East 39th street, Chicago, Illinois; and I am a Laundryman by occupation.

CHIN CHONG KEE (Properly Jung Chong Kee), of the City of Chicago,
in the division and district aforesaid, being first duly sworn , de-
poses and says as follows, to-wit:-

I am a native and subject of China, forty three years of age, Laundry-
man by occupation and reside at No.3941-1/2 Indiana av.,Chicago,Ill.

I first landed in the United States at the port of San Francisco
in the 8th K.S.,and there followed the business of a Cook for six
years. While living there, I was well acquainted with one Jung
Nan Sam, a Merchant of the "Hong Hai" Company, whose business and
place of residence was in the "Mexican Building"; corner of Dupont
street and Commercial avenue. He lived with his wife and family in
the front rooms of the second floor; and other rooms on the same
floor was the popular resort for "cousins" of the "Jung" family up-
on Sundays and other holidays. I was there often; and while I so
associated with the said Jung Nan Sam and his family, including his
wife, Wong Shee, a male child was born to them there. That was in
or about the 14th K.S.,just before I removed from San Francisco.
In the 19th K.S., while living in Louisville, Kentucky, I revisited
San Francisco, and resided in San Francisco at that time for two
years, during which time I visited with the Chinese, as before, and
several times saw the said child. In the 23d K.S., while living
in Chicago, I met the said child and his father in the store of
"Wah Chung Jan", No.309 Clark street; and have been well acquainted
with both of them ever since.

I have examined the foregoing affidavit of Jung One, as well as
the photograph affixed thereto. From my acquaintance with the said
Jung Nan Sam and the said Jung One, as above stated, I am well sat-
isfied, and verily believe, that the said Jung One is the identical
person born in the "Mexican Building" while I was a frequent visitor
there, as I have already related; and that the said photograph is a
true likeness of him.

Subscribed and sworn to, before me,
