Sire ..

As requested by you I called at the "Sing Moy" laundry at No.634

B.43dr St.and examined Moy Bow who was left in charge of Moy Yock's
interest in this laundry at the time Moy Yock departed for China, and
I inclose a transcript of the nates taken. Moy Yock is now
applying for adinterim investigation at Portal N.Dak. Both Moy
Yock and his partner Moy Gone left for China about the same time and
each left a man to look after his interests while away. Moy Gone is
also an applicant for adinterim investigation at Porta(Chicago file
No.705; Portal file No.2646). We left Moy Vin to look after his share
of this laundry. While it is unusual for both owners to leave a
laundry in Charge of some other man not a partner yet both these men
in the laundry statethat they are not owners but simply taking charge
for Moy Yock and Moy Gone and I beleive this to be true.

I would therefore recommend that Moy York be admitted upon his return.

Respectfully,

H. E. TIPPET

Mr. O. B. Holton,

Chicese Inspector in Charge, Portal, North Dakota.

Sir:-

I hand you herewith papers in the case of MOY YOCK, laborer of this city applicant for a laborer's return certificate. The descriptive statement is accurate and the photograph is a good likeness. This man is not registered but presents in lieu of a certificate of residence, a copy of his discharge by Commissioner Geo.

P. Keating at Buffalo, N. Y., February 24th, 1903. This paper has been verified by the Inspector in Charge at Buffalo, and I inclose a copy of his letter.

This applicant claims to own a half interest in a laundry located at 634 H. Forty-third St., this city. Upon this claim I have examined applicant and inclose a transcript of the notes taken.

Applicant's partner in this laundry is Moy Gone who recently departed for China through your port, and at the time he made his application it was claimed that Moy Yook owned a half interest in the place; and both Moy Yook and Moy Gone were recognized by the lessor of the place, as being the Chinamen with whom they had done business as managers. From the appearance of the laundry, I am of the opinion that it is worth the sum claimed, which is, \$2,200.00, and that the applicant holds the half interest which he claims.

No. 712.

I will hand one copy of the papers to applicant with instructions to present the same to you upon his departure through your port.

Respectfully,

(Signed) L. T. Plummer. Chinese Inspector in Charge.

Inspector in Charge,

Buffalo, New York.

Sir:-

I received this morning an envelope containing the papers of Mey York, which I forwarded to you for comparison in my letter of November 16th, No. 712.

There was no letter in the envelope stating whether this Chinaman was actually discharged at that time as he claims. I presume the letter was inadvertently omitted from the envelope.

Will you please mail me a report of the investigating inspector?

Respectfully,

Sir: -

Owing to the great stress of business a delay has been occasioned in replying to your letter of the 16th instant, No. 712, enclosing therewith a certificate of discharge issued to Moy Yock by U. S. Commissioner Geo. P. Keating. This paper is genuine and I recognize the face of the Chinaman from his photograph, he being one of six Chinamen and a white smuggler whom I personally arrested on P. R.R. train on February 1st, 1903. Moy Yock was discharged on ground that he was a merchant at Chicago, Ill. One other Chinaman was discharged on the ground that he was the son of a Pittsburg merchant. The other four Chinamen arrested at that time were deported.

The papers in the case I return herewith.

Respectfully,
